

HP iPAQ rx3715 Mobile Media Companion

Hp iPAQ rx3715

You are a musician, a photographer, a storyteller – you are you.

The HP iPAQ rx3715 Mobile Media Companion is powered by Microsoft® Windows® Mobile software and it lets you enjoy your music, photos and video wherever you go. The future of entertainment is digital and with your HP iPAQ the power is at your fingertips. Never miss a memory – capture, share, and print life's moments using the integrated HP Photosmart camera with photos or video.

You are a musician – make your digital music and videos mobile

- Take your MP3's along with other popular music and video formats with you – wherever you go.
- Using Windows Media Player on your PC transfer fresh music and videos to your HP iPAQ to suit your mood.
- Store more digital media onto SD/MMC memory cards¹ using the Secure Digital slot.
 - Store up to 4 hours of music on a 128-MB SD card.¹
 - Watch up to an hour of full screen WMV video using a 128-MB SD card.¹
- Get great stereo sound using headphones with your HP iPAQ.

You are a photographer – never miss a memory

Every day memorable moments happen without warning. Moments you want to capture. Moments you want to share. With the HP iPAQ rx3715 Mobile Media Companion, it has never been so easy.

- Capture and share life's moments using the integrated Photosmart 1.2 MP camera with photos or video.
 - With 1.2 mega pixel resolution, you get sharp high quality 4" x 6" snapshots that are ready to print.
 - A self-portrait mirror on the back of your HP iPAQ helps make sure you are in the shot.

- Capture memories in action with MotionJPEG or MPEG4-compatible² video and audio recording.
 - Store up to 600 photos or up to an hour of H.263² recorded video on a 128-MB SD card.¹
- HP Image Zone for iPAQs
 - Easily edit and resize photographs on your HP iPAQ and wireless sly email or print them to share memories with family and friends.
 - Printing your photos is easy and fun—wirelessly print directly from your HP iPAQ to a wide array of printers using Infrared, Bluetooth, or Wi-Fi wireless technologies³, or SD/MMC cards¹—no computer is required!
 - Hassle-free photo sharing, no email attachment required with HP Instant Share™.
- HP Image Zone 3.5 for your PC is on the Companion CD – helps you organize, edit, print, and get creative with your photos.
- Use your HP iPAQ as a digital photo album that is always with you, to view and share your photos in high-quality color.

You are in control with digital entertainment at your fingertips with iPAQ Mobile Media

Customize your digital experience for your life.

- Stream content over your Wi-Fi home network and view it on your iPAQ while you move freely about your house.^{1, 3}
- Use your iPAQ and your Wi-Fi home network to play digital content on PC's, TV's, and stereo's around your house for enjoying by the whole family; no need to stand in front of the TV to browse and control your media content.^{1, 3, 4}

You are a gamer – Let the competition begin.

- Pass the time with Solitaire and Jawbreaker.
- Tackle the latest Pocket PC games that match your interests (not included).
